Application No.: 10/009,738

Art Unit: 1713

For: PROCESS FOR POLYMERIZING OLEFINS

**PETITION UNDER 37 C.F.R. § 1.181**  
**TO WITHDRAW THE HOLDING OF ABANDONMENT**

MS Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Abandonment dated August 18, 2005, applicant hereby respectfully petitions under the provisions of 37 C.F.R. § 1.181 and MPEP § 711.03(c) for a decision to withdraw the holding of abandonment due to failure to receive a Notice Regarding Drawings.

The Notice of Abandonment dated August 18, 2005 indicates that this application was abandoned in view of the applicant's failure to respond to a Notice Regarding Drawings mailed on April 19, 2005.

However, this Notice Regarding Drawings was never received by the offices of the undersigned, and a search of the file jacket for the present application and the firm docketing records reveals that the Notice Regarding Drawings of April 19, 2005 was never received. The

offices of the undersigned did not become aware of the Notice Regarding Drawings until advised of the holding of abandonment.

1. **EVIDENCE**

The fact that the Notice Regarding Drawings of April 19, 2005 was never received in the offices of Birch, Stewart, Kolasch & Birch, LLP is evidenced by Exhibits I, II, and III attached hereto.

**Exhibit I** is a copy of the front page of the file jacket of Appl. No. 10/009,738 (which corresponds to Attorney Docket No. 1155-0234P). It is the policy in our office to record all information regarding Office Actions and responses on the front page of the file jacket. As the Petitions Examiner will note, there is no entry for the Notice Regarding Drawings dated April 19, 2005 on the front page of the file jacket of the above-referenced application.

**Exhibit II** is a copy of the computer-generated daily docket sheet(s) of Birch, Stewart, Kolasch & Birch, LLP for the date of June 19, 2005 (the due date for said Notice Regarding Drawings), containing entries made by our Docketing Department of due dates in response to PTO actions. It is the policy of our offices to docket all due dates for Office Actions received from the USPTO into our computer docketing system.

Although Application Numbers, Titles, Client Names, and Inventor Names have been redacted from this Exhibit to avoid public disclosure of these matters once the present application is patented, it is still clear that there is no entry for the due date of June 19, 2005 which corresponds to the current application, Attorney Docket No. 1155-0234P.

The undersigned certifies that he has reviewed the computer-generated daily docket sheets for the due date of June 19, 2005 and did not locate an entry that corresponds to Appl. No. 10/009,738 to inventors Yasuhiko SUZUKI, Tomoaki MATSUGI, Yukihiro TAKAGI, Yasunori YOSHIDA, Junji SAITO, Shigekazu MATSUI, Yoshihisa INOUE and Terunori FUJITA.

**Exhibit III** is a copy of the PAIR “transaction history” which indicates that a Notice Regarding Drawings was apparently **not even mailed** on April 19, 2005 as asserted in the Notice of Abandonment – hence, the reason for non-receipt of same by applicants.

**2. TERMINAL DISCLAIMER**

☒ The present application was filed on or after May 29, 2000. Accordingly, no Terminal Disclaimer is necessary. It is noted that the present Petition is being timely filed within two (2) months of the mailing date of the Notice of Abandonment. Accordingly, no reduction in patent term adjustment should be made, in accordance with the provisions of 37 C.F.R. § 1.704(c)(4).

In view of the above-described facts, it is respectfully submitted that the abandonment of the present application was unavoidable and due solely to problems with the mailing of an Office Action by the PTO (and accordingly should be withdrawn), since the Notice Regarding Drawings dated April 19, 2005 was (1) apparently never mailed by the PTO and (2) accordingly never received in the offices of Birch, Stewart, Kolasch & Birch, LLP.

The present Petition is timely filed for this purpose.

**3. RESPONSE TO NOTICE REGARDING DRAWINGS**

While applicants never received by mail a copy of the Notice Regarding Drawings of April 19, 2005, a copy was obtained subsequent to receipt of the Notice of Abandonment upon accessing the April 20, 2005 entry in the PAIR “Image File Wrapper” for the above application entitled “Workflow-Query Request-Finish”. Again, there is no evidence in that entry that the Notice Regarding Drawings was ever mailed by the PTO.

Accordingly, in response to the Notice Regarding Drawings, applicants provide herewith a copy of the drawing (Figure 1) having notations in the English language as required by the Notice Regarding Drawings, together with applicants’ response to the Notice Regarding

Drawings. Entry of the response as well as the new drawing is believed proper and respectfully requested.

**4. NO FEE REQUIRED**

Since the above-mentioned Notice Regarding Drawings was never received in the offices of the undersigned nor apparently officially mailed by the Patent Office, it is believed that no petition fee is necessary in connection with this Petition.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fee required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Dated: October 18, 2005

Respectfully submitted,

By
